Enrollment Form and Application for Admission

Thank you for your inquiry about Delphi University. Since 1974, we have been guiding and helping others to discover, develop, enhance, refine, and express their spiritual gifts and abilities. There are three ways to begin your studies at Delphi University:

1. **Our world renowned [In-Depth Channeling Course](#)**
2. **[Inner Sanctuary Training](#), or our**
3. **[Connecting with Spirit](#) Personal Holistic Healing program**

In-Depth Channeling is the foundation course at Delphi and is the prerequisite for the Metaphysician Studies Program and RoHun™ Transpersonal Psychology Studies. Many students begin their studies with Inner Sanctuary Training or the Connecting with Spirit Personal Holistic Healing Program before taking In-Depth Channeling. The Inner Sanctuary Training establishes the sacred space within where you can go to receive spiritual insight and answers to your questions, restore balance and vitality, manifest your creative ideas, and strengthen your sense of purpose. The Connecting with Spirit Holistic Healing Program is a comprehensive personal healing and development program which combines a Holistic Scan, numerous individual private healing therapy sessions, and personal intuitive and spiritual development including Inner Sanctuary Training. Regardless of where you begin at Delphi you will find all of our programs effective, life changing, and delivered with love. Please visit our website at www.DelphiU.com for more information.

To enroll. Please complete the attached Application for Acceptance and clearly indicate the program and dates that you wish to attend. Return along with a \$250 deposit to insure your space. Deposits are fully refundable if notification of cancellation is received seven full days prior to the first day of the scheduled workshop (but at any time if received within the 72 hours of the date of the Application of Admission).
